SUMMARY

I am developing Software Mobile applications with Android/İOS technologies. Team player, innovative, solution focused, strong communication skills, collaborative, all-rounder, energetic, traveler

---

EXPERIENCE

Software Developer, 08/2022 - Present
Cozum Makina | Carraro & Yanmar | Istanbul - Turkey, Atasehir, İstanbul
Web/Mobile applications developer, Pendik, İstanbul

- Developed and tested code using Node.js, TypeScript, and TailwindCSS for **Fleet Management System** (FMS-CMS) Web Application. **MongoDB** Compass database was utilized.
- Implemented code using PHP, CodeIgniter4, and Bootstrap for **Battery Track Application**/Web Application. MySQL database was employed.
- Developed code using PHP and JavaScript for **MDVR**/Web Application. MySQL database was used.
- Created and tested code using JavaScript (ReactJS) and TailwindCSS for the **Teltonika Project**/Web Application. MySQL database was utilized.
- Programmed in Java and Eclipse for a project utilizing MySQL database.
- Designed and implemented a **Rock-Scissor-Paper** mobile game application using Java with Android Studio.
- Utilized Google Colab Deep Learning with Python programming languages for Face Recognition using OpenCV, Python, Keras, applying deep learning for highly accurate facial recognition.

Physics Teacher in High School, 10/2020 - 09/2021
Yuksek Lımıt Course, Atasehir, İstanbul

Physics Teacher in High School, 09/2018 - 08/2020
Ugur Schools, Kurtkoy, İstanbul

Physics Teacher in High School, 10/2017 - 09/2018
Final Schools, Bagcilar, İstanbul

Physics Teacher in High School, 11/2015 - 09/2016
Final Schools, Guneşli, İstanbul

Physics Teacher in High School, 09/2013 - 09/2015
Kültür Schools, Pendik, İstanbul

SKILLS

- Software developing
- JAVASCRİPT (**ADVANCED**)
- NODEJS (**ADVANCED**)
- PHP/ CODEIGNİTER-4 (**GOOD**)
- REACT NATIVE (**ADVANCED**)
- JAVA (**MIDDLE**)
- KOTLİN (**BASIC**)
- REACT JS (**GOOD**)
- NEXT JS (**GOOD**)
- HTML (**ADVANCED**)
- CSS (**ADVANCED**)
- TAILWINDCSS (**ADVANCED**)
- TYPESCRİPT (**GOOD**)
- BOOTSTRAP (**ADVANCED**)
- JQUERY
- MongoDB
- MYSQL
- GİT

EDUCATION

Namık Kemal University, Tekirdağ, 59, 2022
Graduated from the Universty: **Computer Engineering**
GPA: 3,43/4

- Coursework in Javasicript , PHP, React.JS, Next.JS, React Native, TypeScript, TailwindCSS, Java, HTML, CSS, MySQL, Mongo DB, Web Development with Angular and Bootstrap, Kotlin, Python, Software Design Paterns, Web/Mobile app development,
- İ'm interested learning Full Stack Development

Yildiz Technical University, Istanbul, 34, 2013
Graduated from the Universty: **Pyhsics**
- GPA: 2,63/4
- Coursework in Physics, teaching at a high school for 7 years.

CERTIFICATIONS

- BTK Academy Certificate **Introduction to Programming Java /** Certificate Date: 02.10.2020
- BTK Academy Certificate **Advanced Java Programming /** Certificate Date: 09.02.2021
- BTK Academy Certificate **Android Mobile Application Development Training with Kotlin Basic Level /** Certificate Date: 09.03.2022
- BTK Academy Certificate **Android Mobile Application Development Training with Kotlin Advanced Level /** Certificate Date: 18.03.2022
- BTK Academy Certificate **Software Design Patterns /** Certificate Date: 29.03.2022
- BTK Academy Certificate **Introduction to Basic Electronics and Robotics /** Certificate Date: 14.02.2022
- BTK Academy Certificate **Ardunio Programming with Projects /** Certificate Date: 28.03.2022
- BTK Academy Certificate **Git and GitHub Version Controls /** Certificate Date:06.2014
